**Note:** This was a make-up tournament for the cancelled Tournament II. All three high school categories were combined into one division. This tournament was “bracketed”. In the first round teams in each individual category were paired (Junior vs. Junior, etc.). In the second round, the top Novice team (by team speaker scores only) was paired against the top Open team, with the second Open team facing the novice team that had a bye in the first round. In the third round, the top two teams overall (ranked by team speaker scores only) were paired, then the next two, etc. The only “protection” was guaranteeing teams with a bye two rounds. Final rankings for this event were determined strictly on speaker scores, not win-loss.
